SPC now partners with Tutor.com. Here’s how faculty & staff can access it.

Please note: Not all courses have Tutor.com access and that Smarthinking is available in ENC 1101 for fall 2019.

Step 1
On the MyCourses homepage, look for the Additional Faculty Resources box in the right-hand column below the poll widget.
**Step 2**
Click the **Tutor.com Access** link in Additional Faculty Resources.

**Step 3**
The Tutor.com landing page should open.

*Please note: Client Portal will be operable with future integration.*
