Journals A-Z is an alphabetical listing of the journal holdings available in full-text at SPC libraries. You can search by journal title to locate available full-text articles. For example, review the following APA reference citation:

From this reference citation, we can determine the following information needed to conduct a search in Journals A-Z:

- Article published in 2014
- Article published in the *Journal of Clinical Microbiology*, volume 52, issue 6

**How to Access Journals A-Z:**

- Log into MyCourses
- Select Library Resources & Services
- Select Journals A-Z tab

**How to Search Journals A-Z:**

- Type journal title into search box & select GO
If the journal is available in full-text, the title will appear. Select the title:

<table>
<thead>
<tr>
<th>Journal title</th>
<th>ISSN</th>
</tr>
</thead>
<tbody>
<tr>
<td>European Journal of Clinical Microbiology and Infectious Diseases</td>
<td>0934-9723</td>
</tr>
<tr>
<td>Journal of clinical microbiology</td>
<td>0095-1137</td>
</tr>
</tbody>
</table>

The next screen shows which database the journal is available in full-text:

- Source = title of journal
- Journal is available via PubMed Central
- SPC has access from 1975
- SPC cannot access the most recent 6 months

Select Full Text Online and locate the applicable publication date, volume, and/or issue number.
